

DIAMOND MESH

RSC Ekusasa Mining is the Original Equipment Manufacturer (OEM) and supplier of Diamond Mesh to the mining industry in Africa.

Description

Diamond Mesh is an economical effective solution for most applications ranging from roof support, side-wall support to general fencing.

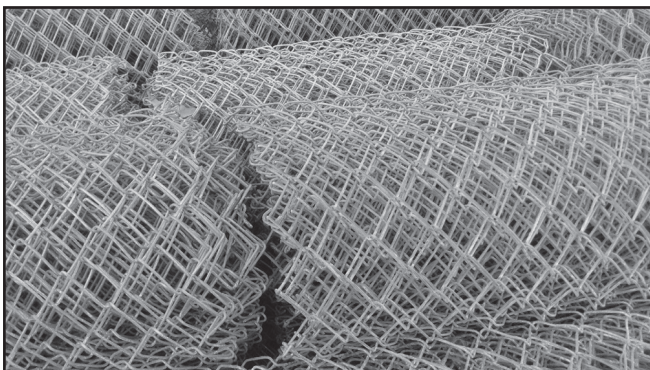

Advantages of the product

- Supplied in rolls, which facilitates easier handling.
- The rolls allow for seamless joining of multiple rolls to achieve a desired length or width.
- More flexible - conforms easily to undulating surfaces.
- No premature weld failures.
