

COMBO WASHER

RSC Ekusasa Mining is an Original Equipment Manufacturer (OEM) and supplier of the Combo Washer to the mining industry in Africa.

Description

The Combo Washer is an economical way of achieving greater areal coverage to improve effectiveness of support in fractured ground.

Advantages of the product

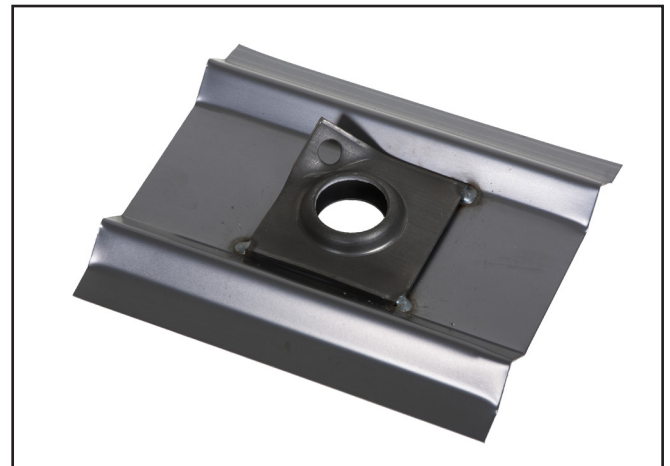

- Economical.
- Ergonomic - easy to handle due to lower mass.
- Conforms easily to the underlying rock surface providing improved surface contact for more confinement of the rock.
- Increased areal coverage resulting in more effective support in fractured ground.
- Corrosion resistance may be improved by DiSTeK™ treatment.

Used in conjunction with:

- Friction Anchor

- W-Strap

Combo Washer
